

# STARSPEED

## *Providing our clients with a safe travel service*

- ◆ Spacious segregated passenger cabins for safe travel with known contacts and family.
- ◆ Exclusive usage with pre and post flight antibacterial cleaning procedures in place.
- ◆ Complimentary availability of masks, tissues and hand sanitizer (where possible) to all passengers.
- ◆ Avoid congested airports and land at private landing sites, heliports or small airports. Utilise private terminals with reduced check in times and direct transfers to private jets or onward ground transport.
- ◆ Itinerary Flexibility
- ◆ Starspeed have implemented crew procedures in accordance with Government guidelines to ensure passenger safety and hygiene whilst traveling; further details available on request.
